Former District Resident Passes In Quesnel

Andrew Joseph Walker of Quesnel, B.C. passed away in Vancouver on August 12th after a short illness. He was born at Elba, Nebraska on October 4th, 1890 and came to Alberta in 1911.

In 1923 he was married to Selma Berquist of Bashaw. They later settled on a farm at Burtonsville where Andy's parents lived. Seven children were born into their home.

In the forties they moved to Kelowna, B.C. and fruit farmed for a few years then on to Quesnel where they have spent several years. He leaves besides his loving wife, two sons Art and Wesley both of Quesnel, four daughters Bertha Bradeen at Kelowna. Rhoda Nelson, Quesnel, Verda MacIntosh at Hixon and Celia MacIntosh of Hixon, two brothers Paul at Edson, Eugene of Edmonton, three sisters Mrs. Octa Tyler, Manitoba, Mrs. Emma Homme of Burtonsville and Marie Raymond of Keephills. Council Objects to Post Office Lease

At the last regular meeting of Town Council held Thursday, August 14th, the matter of postal accommodation in the community was discussed at some length.

The Secretary-Treasurer read letters from Mr. L.B. Campbell of Accommodation Services of the Federal Department of Public Works in Edmonton and those between Mayor H. Shimbashi and the Prime Minister.

Council expressed disappointment in the department's acceptance of a renewal lease on the present building. It was observed that the standard of the present building does not measure up to that required in the proposed build-lease tender advertised earlier this year.

Council felt that to meet the standards called for, the present building would have to be almost rebuilt. On this basis, the Council suggested in a letter to Mr. Campbell that the tender should be re-advertised at a reduced standard of specification to give all bidders an equal opportunity.

Council and the Development Board have also pointed out objections to the present location of the Post Office. It was noted that there is no off-street parking and very limited street parking presenting a source of additional traffic hazard.

In its last letter to Mr. Campbell, Town Council extended an invitation to him to visit the town and get an on-site observation in order to make a realistic assessment of the situation.

Plastic Hawks Protect Crops

Imitation hawks hanging from helium-filled balloons are being used to scare birds away from precious grain fields at the Central Experimental Farm in Ottawa this year. If this system works, scientists will be able to cut down on the noise-makers ordinarily used. Birds have been an increasing problem for corn growers in many parts of Ontario and in some cases threaten to drive producers out of business. At Ottawa stakes are even higher because the hybrid lines currently being developed will result in new varieties worth millions of dollars to Ontario farmers.

Parkland Summer Notebook

With summer coming to a close our playground program is also nearing an end. We, as playground coordinators, feel it has been a very successful summer.

August has been especially busy since it is the final month and the playgrounds want to close on a high note. As a result, numerous Special Event nights were organized to enable the parents to come out to participate in the program and to see how the playground is run.

The county wide Playground Trackmeet was held on August 14 at Entwistle, and the competition and spirit shown here was very good. There were three trophies to be won. The trophy for highest girls' points was won by Wabamun; for highest boys' points by Spruce Grove; and the combined trophy for highest totaled girls' and boys' points went to Wabamun.

The playground craft display was held during the week August 25-29. The displays were set up at the Pembina Drug Store in Drayton Valley and at the new U-Save Store in Stony Plain. All the crafts on display were made by the children on the playground

Fallis Girl Wed Recently In St. Crypian's, Calgary

A beautiful double-ring wedding was solemnized in St. Cyprian's Anglican Church in Calgary on July 26, 1969 when Shirley Alice, youngest daughter of Mrs. Hazel Hurst of Drumheller and Fallis became the bride of Mr. Gary William Zadorozny, eldest son of Mr. and Mrs. William Zadorozny of Calgary. The Rev. Dickin officiated.

Entering the church on the arm of her brother-in-law, Mr. Russell Dzenkiw of Edmonton, the bride was lovely in her floor-length gown of white satin. The bodice was lavishly embroidered in white with Empire waist, from which fell graceful pleats. The sleeves were long, with lily point lace. Her veil, floor length of illusion net, was held in place by white roses. She carried a bouquet of red roses, white carnations and stephanotis.

Maid-of-honor was Miss Shannon See of Drumheller. She wore a floor-length gown of blue nylon over taffeta, with short veil to match. She carried a bouquet of pink-tipped carnations.

Bridesmaids were Miss Sherri Schinnour and Miss Darlene Zadorozny, sister of the groom. They wore floor-length gowns of melon pink nylon over taffeta with short veils to match. Their gowns were styled identically to the maid-of-honor's. Each carried a bouquet of blue tipped carnations.

All three wore cat's eye necklaces and earrings, gift of the bride.

Best man was Murray Laing. Ushers were Les Dol, Don Hawkes and Allan Zadorozny.

For her daughter's wedding, Mrs. Hurst chose a melon-pink fortrel two-piece suit with matching hat and white accessories.

Mother of the groom chose an aqua-blue two-piece lace ensemble with matching hat and white accessories.

A reception for 135 guests was held in the Orange Hall. The head table was centered by a five tiered wedding cake made by the bride's mother and beautifully decorated in white and blue. Miniature brides and bells marked the places.

Master of ceremonies was Mr. Jim Deptuk. Toast to the bride was proposed by Mr. Bob Lowery, uncle of the bride, to which the groom ably responded.

Mrs. L.D. Park, great-aunt of the bride represented the brides' grandparents, Mr. and Mrs. G. Jackson of Lethbridge. They were unable to attend as they are on vacation in Ireland. Two aunts and an uncle were also absent, as they are also in Ireland. The groom's grandparents, Mr. and Mrs. Melnyk were present. Mr. Deptuk gave a toast to the grandparents.

Many out-of-town guests were present and several congratulatory messages were received.

The bride donned a black and white checked suit, with black accessories, gift of the groom, for her going away outfit. She wore a white coat over the suit. The happy couple honeymooned in Vancouver, Victoria and Westbank, B.C. They will reside in Calgary.

Summer Hockey School Now In Full Swing

The Drayton Valley Summer Hockey Camp is presently in progress with 114 boys in attendance. The Camp under the direction of Clare Drake got under way last Monday. Drake has a slate of fine instructors working at the camp. The boys are divided into four groups. The age range at the camp is from eight to eighteen years.

Orientation sessions were held Monday afternoon and at 8:00 a.m. on Tuesday the camp went into high gear with regular training sessions in progress for all groups.

To date this hockey camp has proved to be a success in every aspect. The calibre of instruction is the best available anywhere and the boys are receiving some very special training in the art of Canada's National Game.

The camp continues through Sunday with a regular schedule being maintained daily. Of the total registered in the camp, thirty seven boys come from other centres with two members hailing from Yellowknife, N.W.T. Some are from around the Camrose area, with others coming from Salmon Arm, B.C., Onoway, Wabamun, Darwell, Winfield, Coronation, Bruderheim and Alder Flats.

Former District Resident Passes In Phoenix

Many of the old timers in the surrounding area will be sad to hear that Roy Huston passed away on July 28th at Phoenix, Arizona. He was born in Kansas in 1890 and came to the Burtonsville area and filed on a homestead in about 1915.

He returned to the U.S.A. for his bride and they lived in the Burtonsville area and farmed for several years. They both reached out and made friends throughout the area.

They later sold out and moved to Seattle where Roy did carpenter work until his health became poor, and they later retired in Arizona.

His wife Mary predeceased him ten years ago. He leaves two brothers, Floyd of Delborne and Lorn, one sister Velma Booth at Lamond, Alberta.

Plan Playground Farewell Event

The final week on playgrounds is Playground Farewell and clean-up. The farewell is on August 27 at Wabamun Provincial Park and all playgrounds will be there. Each playground is setting up a booth or putting on a skit or some form of entertainment.

The playground staff appreciates the help given by the school board, the recreation council, by parents, volunteers and interested adults.

Good Results At St. Anthony's

Another indication of a very successful year at St. Anthony's is the report of 22 passes and only 2 failures in the grade 9 departmental exams.

Of the passes, two students are of special note: Donna Hook for outstanding achievement and Brett Hammerlindl received an honor standing. Congratulations are extended to Donna and Brett.

Omitted From Rodeo Program

Re: Evergreen Rodeo Program 1969

I would like to take this opportunity of apologizing to the Drayton Valley O.O.R.P. for not getting their club write up in the program. Somewhere between myself and the printers it got lost and was not noticed until after the program was printed.

Also my sincerest apologies to the W.I. for not asking them for a write up to be included in the program. This club was inadvertently left off my list of Drayton Valley clubs.

Will take this opportunity of thanking Mr. Ron Smith, Editor and Publisher of The Western Review for printing both of these club write ups in this edition of The Western Review.

Yours Truly,
P.E. Turner
Rodeo Program Chairman

ORDER OF THE ROYAL PURPLE

The Drayton Valley O.O.R.P. No. 196 was formed on May 19, 1956. Charter members still on the roll include Gladys McMorris Hilda Rand, Madge Wall and Valerie Fraser. We have a present membership of 62, with members meeting on the first and third Tuesday of the month in the Elk's Hall. The Drayton Valley O.O.R.P. is a member of Alberta District # 1 and comprises Entwistle, Wildwood, Gainford, Edson, Hinton and Jasper Park lodges.

The aims and purposes of the organization are to practice the principles of Justice, Charity, Sisterly Love, and Fidelity and to assist the Benevolent and Protective Order of Elks at all times in their benevolent, charitable and social work.

Our first objective is the Elks Purple Cross Fund which is available to young people, up to the age of 18, who are in need of medical aid and assistance (including things from operations to eyeglasses) and whose parents are not in a position to supply their children with these necessities. In the past this fund has assisted several in our area and thousands throughout Canada. If you know of anyone in need of this type of assistance please notify any member of the O.O.R.P. or B.P.O.E.

A second major objective of our organization is the national Deaf Detection and Development program set up recently to detect deafness in very young children.

Community projects and areas of assistance include the following: an annual Senior Citizen's Christmas Supper, presentation of bursaries and book awards to students, assistance to burned-out families, the Alberta Mental Hospital, and local young organizations; serving lunch at Blood Donor Clinics and purchases of equipment for the local hospital. We have an adopted patient in the Ponoka Mental Hospital and are in the process of petitioning the government for a Senior Citizens home for Drayton Valley and district.

Manpower Centre Explains Drayton Valley Service

The community of Drayton Valley is on our minds at Canada Manpower Centre. We want to know you better. We want to keep up to date on your community activities and lend support where we can.

Every month Dave Biggs, a manpower counsellor with the Edmonton CMC, visits Drayton Valley. He is our source of information about your community, or to put it another way, he is Drayton Valley's "rep" in the Edmonton CMC.

When in Drayton Valley, Dave tries to find out what are the jobs to be done and where are the persons with the job know-how or with the ability to learn the job know-how. Part of his own job know-how is identifying the information or aids which he should make available to a student, to an employee client or an employer client, or to a particular organization in Drayton Valley.

CMC, of course, is not only an employment office. Our role has been considerably deepened since the changeover from the National Employment Service. Training and mobility, two busy programs, came into being with the new department. The Adult Occupational Training Programme helps keep labour skills in step with changing job requirements. The Manpower Mobility Programme helps to move a person from an area where his skill isn't needed to a site where he can be gainfully employed. These programmes cannot be dealt with in a haphazard way. Employment counselling governed by current labour market information is critical to optimum use of CMC programmes.

Mrs. Laura Race was visiting in the district last week. Mrs. Race now lives in White Rock, B.C. and her many friends were happy to see her again.

A surprise housewarming party was held for Mr. and Mrs. John Solomon in their home Saturday evening. Their many friends and neighbors gathered to wish them well in their new home and presented them with a pole lamp and a space saver shelf for the bathroom. We wish you many happy years in your new home Mr. and Mrs. Solomon.

Putnam family spent the weekend at Bon Accord and Lloyd helped his brother Bob put up silage. Sharon brought home some of the garden they helped plant last spring.

The Cecil Kelly family with Debbie Swap and Russ Kelly motored to Didsbury on Sunday to visit Phyllis's mother and dad.

The Kelly farm is buzzing with excitement these days as their horse Candy has a little filly colt.

Marge Pollard and Marianne Dalgren visited Marge's mother on the weekend. I imagine Mrs. Buzak was quite happy to see her new little great-grandson.

Visitors at the Vern Benjamin home on rodeo weekend was Pat's parents, Mr. and Mrs. Len Smith of Valleyview and Pat's sister and brother-in-law Betty and Rick Tiegen also from Valleyview. The Datsun 1600 Deluxe 4-door sedan is stacked with goodies. You don't have to pay a cent extra for the things most drivers like to have. If some of the Datsun's extras are available at all on other cars, they'll cost you a fortune. Don't let their basic prices fool you. Basic is just that — basic transportation. Datsun gives you more for your money. The high-performance overhead cam 96 hp engine is good for 100 mph and up to 35 miles per gallon. It handles like a sports car but treats you to a comfortable ride in a luxurious interior.

The only extras you'll likely want in your Datsun 1600 4-door is a radio — or an automatic. Or you can have a 2-door for a little less, or a wagon for a little more.

Datsun 1600 4-door. Is it any wonder it's called the more-for-your money car?

Call or write for the "1969 Economy Car Comparison Chart" which lists features and specifications of 14 different cars.

Recreation Ramblings

By SYD MOORE

This is my last report until September of 1970 at which time I plan to be back to work in the County. The Regional Council has given me leave of absence to attend University at Provo, Utah. I an going to be studying Recreation Education with special emphasis in Philosophy, Community Development, Park Planning, Facility Development and Special Program elements of group work. There are so many new concepts in these areas especially directed to rural and urban units, and it is my desire as it is the Councils, that these be related to our situation.

Mr. Cece Armstrong will be the Superintendent while I am away. Cece has been doing a fine job in organizing and assisting with the many summer programs, and I an sure that as executive head of the Recreation Department he will do as commendable a job. All Cece needs is your continued support.

We are so very proud of our region in that it is the leader in Canada in Rural-Urban recreation development. As professional staff, our job in addition to conducting the affairs of the department in a business-like manner, is to project program ideas and establish policies with our Council so that the benefits of leisure can best be utilized. We can only progress in this with the support of the people we are attempting to serve. There is no doubt that the public have supported the program of which we are proud. I am personally grateful to have had the opportunity to be assocaited with the people of this region - the parents and children, the leaders of the various programs, the Councils of the co-operating authorities, the community recreation boards, the leaders of Community Associations, and the Regional Council.

I know that I will return next year to even greater advances here, and hopefully will be again to able to make some small contribution to this very essential area of human growth and development.
